

Position Opening

Fishers Island Union Chapel
Fishers Island, NY

Summary

The Technology Communications Summer Intern at Fishers Island Union Chapel works with the pastor to implement the weekly worship livestream, manages external communication channels like the church website and social media platforms, writes copy for digital newsletters, and adheres to the church's brand and message when publishing content.

Responsibilities and Duties

Regularly run and record the Sunday morning worship livestream.

Edit the worship video, incorporate the intro and outro, and post it to the church website and social channels like YouTube and Facebook.

Manage the church's social media communications, including Instagram and Twitter.

Write, edit, and distribute various types of content, including worship videos, material for the website, press releases, and other types of content that take the message to the public.

Create and produce monthly newsletters and post them to the website and social media.

Qualifications and Skills

- Familiarity with livestreaming technologies, especially ProPresenter and OBS
- Video editing and production skills using Adobe Creative Cloud or DaVinci Resolve 18
- Good writer with the ability to adapt messages to different media
- Excellent communication and problem-solving skills
- Attention to detail and deadlines

Salary and Benefits

\$18 per hour for ten hours per week (five on Sunday morning-afternoon and five during the week) during summer 2022.

While most work will be onsite at the church, some work may be done off-site.

To apply, send your resume to Pastor Rosanna Anderson at rosanna@fiunionchapel.org.
